1 AMENDMENT TO HOUSE BILL 137

2 AMENDMENT NO. _____. Amend House Bill 137 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by adding Sections
5 10-20.53 and 34-18.45 as follows:

6 (105 ILCS 5/10-20.53 new)

7 Sec. 10-20.53. Trans fat ban.

8 (a) For the purposes of this Section:

9 "Individually packaged food item" means a food item in the
10 manufacturer's original, sealed package.

11 "Trans fat" means fat that is considered trans fat by the
12 U.S. Food and Drug Administration. "Trans fat" does not include
13 naturally occurring trans fat. Food shall be deemed to contain
14 trans fat under this Section if the food is labeled as, lists
15 as an ingredient, or contains any kind of partially
16 hydrogenated vegetable oil, including without limitation

1 vegetable shortening or margarine. However, food shall not be
2 deemed to contain trans fat under this Section if the food
3 contains less than 0.5 grams of trans fat per serving.

4 (b) Beginning with the 2011-2012 school year, a school
5 board shall prohibit schools from selling or serving any
6 individually packaged food item that contains trans fat in a
7 vending machine, a la carte, or as part of the school breakfast
8 program, the school lunch program, or the summer food service
9 program. Each school shall certify compliance with this Section
10 in writing to the president of the school board, and this
11 certification must be read into the record at the next
12 regularly scheduled board meeting after receipt of the
13 certification.

14 (c) This Section does not apply to individually packaged
15 food items sold or served by students off-campus as part of a
16 fundraiser or to fundraisers that take place on campus by
17 groups that are not associated with the school.

18 (105 ILCS 5/34-18.45 new)

19 Sec. 34-18.45. Trans fat ban.

20 (a) For the purposes of this Section:

21 "Individually packaged food item" means a food item in the
22 manufacturer's original, sealed package.

23 "Trans fat" means fat that is considered trans fat by the
24 U.S. Food and Drug Administration. "Trans fat" does not include
25 naturally occurring trans fat. Food shall be deemed to contain

1 trans fat under this Section if the food is labeled as, lists
2 as an ingredient, or contains any kind of partially
3 hydrogenated vegetable oil, including without limitation
4 vegetable shortening or margarine. However, food shall not be
5 deemed to contain trans fat under this Section if the food
6 contains less than 0.5 grams of trans fat per serving.

7 (b) Beginning with the 2011-2012 school year, the board
8 shall prohibit schools from selling or serving any individually
9 packaged food item that contains trans fat in a vending
10 machine, a la carte, or as part of the school breakfast
11 program, the school lunch program, or the summer food service
12 program. Each school shall certify compliance with this Section
13 in writing to the president of the board, and this
14 certification must be read into the record at the next
15 regularly scheduled board meeting after receipt of the
16 certification.

17 (c) This Section does not apply to individually packaged
18 food items sold or served by students off-campus as part of a
19 fundraiser or to fundraisers that take place on campus by
20 groups that are not associated with the school.

21 Section 99. Effective date. This Act takes effect upon
22 becoming law."
